Lunch launches
As of 7 July 2012

During the lunch break, you are encouraged to visit the Marketplace and Poster exhibition, to network with colleagues but also to participate in new endeavours. Lunchtime sessions are scheduled to launch the following major publications/projects:

- WHO Health Research Strategy
- the new society Health Systems Global
- a new journal *Infectious Diseases of Poverty*
- a *Lancet* series on Universal Health Coverage
- the *Handbook for Developing Health Systems Guidance*
- an expanded version of *Health Systems Evidence*
- *Health Policy and Systems Research: A Methodology Reader*
